

BOTH FIGHTERS FULL OF CONFIDENCE

New York, July 1.—Supreme confidence appeared to reign in the camps of Jack Dempsey and Georges Carpentier on the eve of their championship bout in Jersey City tomorrow.

Special statements furnished The Associated Press either directly or indirectly by the principals, their managers and the promoter follow:

By Jack Dempsey, heavyweight champion of the world:

"I am in the best shape of my career, ready and anxious to give an account of myself in the ring, and win as quickly as possible. If one punch will knock out Carpentier I'll be better satisfied."

"But regardless of how long the fight goes, the public can depend upon me to do my level best every second of the way. I am proud to represent America against the European challenger, and this pride will cause me to make what I feel will be the greatest fight of my life."

"I never was more anxious to win a fight than this one. Of course, I know that Carpentier is a great fighter, but I feel confident that I will be able to successfully defend my title. I have faithfully trained the best I know how. I put in ten weeks of work—six weeks of real hard training."

"I am ready."

By Georges Carpentier, challenger:

"When I go into the ring against Jack Dempsey, I will be prepared to make the supreme effort of my fighting career."

"You can also say for Georges," added Trainer Wilson, "that he is in condition to fight a great battle; that he will bring all the experience of his fighting career to bear, and that if Dempsey defeats him, America can claim a real champion, for Georges Carpentier is a great fighter and to beat him will be a great accomplishment. We have to excuse to make and we believe victory will be ours."

By Jack Kearns, manager of Jack Dempsey:

"We expect to win over Georges Carpentier in three or four rounds. I will not be surprised if Dempsey stops him in the first round. This is a heavyweight fight upon the style adopted by Carpentier."

"The Dempsey who will defend his title as the world's champion is the fastest, hardest-hitting, gamest, heavyweights who ever stepped inside of a ring. After the fight is over I think everyone who saw it will agree with me."

"Dempsey is in better condition than he has ever been. He has trained hard and faithfully, and I never felt more confident of winning a fight. I am confident that he will beat Carpentier and to it definitely. The champion is bigger and stronger and even a greater fighter than when he defeated Willard two years ago."

"Dempsey is in great shape and will do his best and if beaten will have no excuse to offer."

By Francis Dempsey, manager of Carpentier, speaking through Tex Rickard:

"I confidently expect Georges Carpentier to win the world's heavyweight championship from Dempsey in four or five rounds. Georges has trained faithfully and is in the best condition of his life. His long ring experience has fitted him for any form of attack and every member of the Carpentier camp from Georges himself down to the man

NUTMEGS OF NEW HAVEN

FLAX AT TAFTVILLE

That the Taftville team will be up against as strong a team as has appeared there this season, is indicated by the lineup sent to Manager Benoit, by the manager of the Nutmegs of New Haven, Halperin, a former Yale star, will cover left field. Hanlon, who played with the local team against the Norwich Kacoys last season, will cover second base. Jackson center field, Otto third base, Cavallini, who played with the Norwich Kacoys for a while this season, will be on first, Donabus right field, Hill short, Thomas catch, Murphy or Hoffman pitcher. Hoffman is the man that Manager Benoit has been trying to land for some time, but has been unable to do so. Last season he defeated much teams as the American Thread team of Willimantic, South Manchester, Rockville, Collinsville, Schenck of Meriden and nearly all the strong teams in the state. He has been considered the best in the state for over two years now. The Dugan twins and Doherty of the Holy Cross team, who are touring Massachusetts, will probably be with the Nutmegs. Manager Benoit will use the same lineup as last Saturday, with the exception of Turner who will do the receiving. He is the man who taught for the team at Willimantic, and made such an impression that he was hired for these important games coming, and the fans will surely see the best man that has worked behind the bat on these grounds in a long while. Being Mike Morin's regular battery mate, they work like a clock, and will surely be worth going miles to see. The team will travel to New London Sunday and Monday morning will hook up with the Elm City Colored Giants.

DEMPSEY ARRIVED IN JERSEY CITY YESTERDAY

Jersey City, N. J., July 1.—Jack Dempsey and his party arrived here late today for his bout with Carpentier tomorrow. The defender was declared to be in perfect condition by Trainer "Red" Hayes. He weighed 190 pounds this morning, exactly the figure at which he was expected for some weeks, to enter the ring. He was clean shaven today and probably will be shaved again tomorrow before the bout.

The location of the house in which Dempsey is quartered, was not revealed, even the boxer, until the party arrived here. Dempsey greeted the three Belgian police dogs which had been sent on ahead.

Moderate setting-up exercises and possibly a short walk in the residential section of Jersey City will be the only exercise to help pass the morning hours tomorrow. A card game, also will probably be played in the afternoon. At 2 o'clock he will be bundled into an automobile and taken to the arena.

CARPENTIER IN HAPPY MOOD ON EVE OF FIGHT

Manhattan, N. Y., July 1.—(By The A. P.)—While an African war song was being sung, Georges Carpentier tripped up the stairs of his training residence at nine o'clock tonight, called a "good night" to his comrades and jumped into bed.

Throughout the day the challenger was light-hearted. There was always a song in his line and a smile on his face. Late in the afternoon he left his chair on the front porch to play ball with a crowd of boys in the roadway, and he tossed the baseball around and whooped as loud as any of his youthful admirers.

Eight or ten in all, as Georges was concerned, was under the ban. Stories of the war were told by different members of the camp and Trainer Wilson, who has shown some talent as a buck and wing dancer entertained with a phonograph accompaniment.

A heavy rain greeted the challenger when he answered reveille this morning, but he braved it and started for the woods with Paul Journee and Charles Leclerc. They were out about three quarters of an hour and returned soaked to the skin. Georges was given a good rub down and was swathed in blankets. He stayed indoors until after lunch, then went to the porch and his camp chair.

BALTIMORE RIVALS HAVE TWO GAMES OVER WEEK END

The Baltimore Rivals have two games booked for the week end. On Saturday they play in Colchester and will bring up a strong team with Jodoin in the box who is pitching good ball for the Rivals. First Baseman McDonald met with an accident last Sunday and will be out of the game for a few weeks. Mac covered the bag in big league style. Taylor will replace McDonald on first.

On Sunday Attawaugan will play in Baltimore and as the club is going to a considerable expense the fans are requested to take notice.

CHICAGO GRAIN MARKET

Chicago, July 1.—Aversion to carrying overhauled crops and a holiday in the weather market pulled down wheat prices today after an early bulge. The close was heavy at 1-1/4 to 1-1/2 cents. Net lower with July 1-1/4 to 1-1/2 to 1-1/4 and September 1-1/4 to 1-1/2 to 1-1/4. Corn gained 1-4 to 1-5 cents, and oats 1-8 to 1-1/4. In provisions the outside was unchanged to 10 cents lower. At first the wheat market responded readily to continued dry, hot weather, southwest and to predictions that unless general rains came soon northwestern crops would be greatly reduced. Upturns in price however, increased the disposition of many holders to even up before the adjustment of the board until Tuesday.

Especially as the weather map indicated possibility of cooler and unsettled weather. Besides, money crop and cotton were less bullish than had been expected, and the seaboard reported England trying to resist because of large Australian wheat crop. In addition, Belgium was reported as purchasing in Argentina, and it was said domestic acceptance of bids to the country were a liberal scale. Under such circumstances the market lacked support during the last half of the day, and finished near the bottom level reached.

Northeastern buyers of corn cutting in the fields and of hot winds in South Dakota had a bullish influence on the corn market. Smallness of receipts strengthened corn.

Provisions were governed chiefly by the action of the hog market.
